- French asset management association (AFG)
- Association française des professionnels des titres (AFTI)
- Banque Populaire Caisse d'Épargne (BPCE)
- BNP Paribas
- French Energy Council (CFE)
- EDF
- Institut Louis Bachelier
- L'Oréal
- Michelin
- Natixis
- PSA
- Rexecode
- Saint Gobain

► International Research Partnerships

- Australian National University, University of Melbourne, Australia
- Université du Québec à Montréal, HEC Montréal, McGill University, University of Ottawa, Canada
- Princeton University, University of North Carolina, Vanderbilt University, Rutgers University, Georgetown University, United States
- Philipps-Universität Marburg, University of Bonn, Germany
- Université Libre de Bruxelles, Université Catholique de Louvain, University of Namur, Belgium
- European University Institute, Università Cattolica Milano, University of Udine, University of Calabria, Amedeo Avogadro University of Eastern Piedmont, Italy
- University of Luxembourg, Luxembourg
- University of Manchester, University of Oxford, University of Warwick, UK
- University of Lausanne, University of Zurich, ETH Zurich, Switzerland
- European University in St. Petersburg, Russia

RESEARCH

University Paris Nanterre develops its expertise in research units within the following areas:

- Art, Literature and Philosophy;
- Economics and Management ;
- Foreign languages and cultures;
- Mathematics and Engineering Sciences;
- Modeling, Social Behaviors and Communication;
- Social sciences;
- Legal and political sciences;
- Psychological Sciences, Educational Sciences, Ethics and Environmental Sciences.

The research units benefit from several infrastructures (offices, libraries, experimental platforms) and a building dedicated to their activities.

📍 Building Weber

The Nanterre campus also hosts a House of Human Sciences (MSH), in partnership with the University Paris 1 Panthéon-Sorbonne and the CNRS.

📍 Building Ginouvès

📍 Building Rémond, third Floor
